¹ For the purposes of this package offer, a legal entity is considered a European Union resident if the entity is registered in an EU country and its headquarters, business and management are located in the country of registration. Exceptions to this definition may apply, e.g. companies registered in Great Britain, Luxemburg, Cyprus, and Malta, and individuals related to such companies, may still be serviced in accordance with the pricelist for international clients. Please contact a representative of the Bank for more details.

² If the total monthly volume of outgoing transfers by a company using the 180° package exceeds the equivalent of EUR 80,000.00, the Bank may unilaterally transition the client to the standard pricelist or offer the upgraded 360° package. If your company is a payment institution or a financial institution, please contact the Bank to find out about available package offers.
