¹⁰ Interest for the Payment Card Account balance and repayment of expenses at petrol stations are calculated and paid out every month, if purchases with a payment card for the total amount above 200.00 EUR have been made. The purchases should be charged from the Payment Card Account in the calendar month, for which the interest is calculated. Its calculation and payout stops, if the client no longer meets the following conditions:

- The amount of purchases with the card does not reach 200.00 EUR;
- The purchases made with the card have not been charged from the Payment Card Account in the corresponding month;
- The purchases made at petrol stations with the card have not been charged from the Payment Card Account in the corresponding month;
- The corresponding Payment Card or the Payment Card Account is closed.

Interest for the Payment Card Account balance are calculated at the end of each Bank's working day (hereinafter referred to as Bank Day) for the balance of cash in the Payment Card Account up to 5000.00 EUR. The account balance from the end of the previous Bank Day is used for the calculation of interest for account balance on a day, which is not a Bank Day. Interest is calculated only for account balance on one client's Payment Card (client's choice). Calculated interest is transferred to the Payment Card Account on the first Bank Day of the next month.

Repayment of expenses for purchases at petrol stations takes place once a month until the 5th day of the next month for the amount, which was spent in the previous month, but no more than 20.00 EUR per month.

¹¹ Issued with Priority Pass and Travel Assistance.

¹² Minimum credit limit – EUR 5,000.00.
